

Covid-19 Protocols for first aid training:

1. Class size no larger than 9 participants, in keeping with first aid training industry consensus
2. Training area to reflect social distancing when being set up
3. Masks to be worn indoors during training, and must cover both nose and mouth
4. Hand sanitiser to be used before and after any practical training, and participants will be expected to wash their hands for at least 20 seconds before entering the training area
5. Upon entering the training area, participants will have their temperature taken by our trainer, via a contactless thermometer
6. Anyone displaying symptoms of Covid-19 will not be able to attend the training, and anyone who develops symptoms during training will be asked to leave
7. All our equipment will be thoroughly cleaned with alcohol solution by the trainer to ensure minimum risk of spreading the infection

Please pass this on to all participants booked onto a course, and let us know if you have any questions by emailing admin@actualfirstaid.com.
